

JUNIOR PROGRAM

FALL/WINTER 2019/20

Aldershot Junior Tennis Program

is a great opportunity for youngsters to develop their tennis skills. Groups are organized according to age and level in a ratio of 8:1. One-hour weekly lessons deal with stroke mechanics, body work, foot work and game rules in a co-operative and FUN environment.

The program consists of two 10-week sessions with young beginners and intermediates on Sunday afternoons and intermediates on Fridays, after school. You may choose to register for the first session (October to Christmas) and decide later on for the second session (January to April) or join both sessions now at a reduced rate.

You do not have to be a member of Aldershot Tennis Club to register for the lessons.

The program does not include court booking privileges.

If you are interested in our Junior Membership, contact our Membership Coordinator or visit our website at www.aldershottennis.ca
