## **REOPENING GUIDELINES FOR THE ALDERSHOT TENNIS CLUB COVID-19 Protocol**

Ontario remains in a State of Emergency due to the COVID-19 pandemic. To ensure we can safely return to tennis, play will resume with modified play. We ask that all members be patient and courteous to all members as we work to keep each other safe.

The club has developed the following guidelines to provide a safe return by abiding by the protocols established by Premier Ford, City of Burlington, Tennis Canada and the OTA. We ask all members to please do their part in keeping the ATC safe.

If these guidelines are not followed, we will put each other at risk of being infected.

Please note, if the club is informed by the Public Health Unit that a member has been diagnosed with COVID-19, if necessary the club will assist by providing names of members who were present at the same time. The club will also temporarily close to clean all contact points at the facility prior to re-opening.

As the City of Burlington and Province of Ontario moves into Phase 2 and 3 these guidelines will be adjusted as required.
